PROFILE

I'm a dedicated and enthusiastic recent Computer Science graduate currently pursuing a Data Science course. Equipped with solid knowledge of Python, databases management, data manipulation, statistical analysis, and exploratory data analysis (EDA). Eager to apply analytical skills and technical expertise to real-world challenges and contribute effectively to data-driven projects.

CERTIFICATIONS

■ **2024 - PRESENT**
NareshIT , Ameerpet, Hyderabad, Telangana
full Stack Data Science with AI

- I'm a data science enthusiast currently engaged in a comprehensive data science course.
- The course contains Python (NumPy, Pandas), data manipulation, and statistical analysis. Proficient in applying artificial intelligence (AI), machine learning (ML), and deep learning (DL) techniques, with a strong focus on data visualization to communicate insights effectively.

PROJECTS

Short News app

- I developed a dynamic web project that serves as a news website.
- For the frontend, I utilized HTML and CSS to create an appealing and user-friendly interface. On the backend, I implemented JavaScript to handle data retrieval and interactions. The project integrates a News API to fetch and display live news updates.
- The website is organized into various categories, allowing users to easily access news articles specific to their interests.

Note It

- I developed a simple note-taking website as a project. The front end was created using HTML and CSS to provide a user-friendly interface, while the back end was implemented with JavaScript.
- The primary functionality of the website allowed users to write, save, and manage notes and other textual information, which were stored in a local dataset.

EDUCATION

DAYANAND SCIENCE COLLEGE, LATUR

- BSC (Computer Science)
(2021-2024)
- CGPA : 7.86 / 10

JANATA JR. COLLEGE OF SCIENCE

- HSC (2021)
- Percentage : 84.00%

JANATA VIDYA MANDIR, MURUD

- SSC (2019)
- Percentage : 77.20%

SKILLS

- Python (NumPy, Pandas)
- SQL
- Data Manipulation
- Exploratory Data Analysis
- Statistics
- Database Management
- Effective Communication
- Data Visualization

LANGUAGES

- English (Intermediate)
- Hindi (Proficient)
- Marathi (Native)
